

SYDNEY FC FOUNDATION – GOLF DAY 2022

SYDNEY FC FOUNDATION GOLF DAY

NORTH RYDE GOLF CLUB

The Sydney FC Foundation Golf Day will support a cause from our Foundation's second pillar, Football Infrastructure, aimed at building better facilities, one pass at a time.

The 2022 Sydney FC Foundation Golf Day will be in support of our new Centre of Excellence, Sky Park at Macquarie University Sports Fields.

Join us for breakfast and a round of golf followed by lunch at the beautiful North Ryde Golf Club and learn more about Sydney FC's new home – a home for our players, administration teams and the Sky Blue Community.

ABOUT SKY PARK

Situated at Macquarie University Sports Fields in the north of Sydney, our Centre Of Excellence – Sky Park – will provide the foundation for the Sky Blues future growth and its construction is one of the most important moments in Sydney FC's history. It will become home to the next generations of Sydney FC players and staff.

Sky Park will provide elite training facilities for the club's A-League, Westfield W-League and Academy teams, while it will also house the club's administration, bringing all departments together for the first time since inception in 2004.

Once open, the precinct will also provide major benefits to the club's community engagement programs, allowing them to increase opportunities and experiences for the grassroots football community, across the club's heartland all year round.

The facilities will also offer Sky Blues Members and fans a welcoming and inclusive space for year-round access to Sydney FC's professional and academy squads.

“Blue Sky Thinking underpins Sydney FC’s way forward. Creative ideas that are not limited by current thinking or our past achievements. I am excited about the role Sky Park will play in forming new experiences and memories for others in the Sky Blue family and broader community.”

WHY NORTH RYDE GOLF CLUB?

Located a little over 5kms away from Sky Park, we are delighted to be hosted by North Ryde Golf Club and see it as the perfect location as we look to achieve the projects mission of becoming a hub for high performance football and business alike – a place for businesses within the Sydney FC footprint to share insights into creating high performance culture and continued success.

Upon completion, Sky Park will further assist our partners, businesses in the local areas – including Macquarie Park and North Ryde – and corporates by providing them with authentic, high-quality experiences aimed at:

- Increasing staff retention and satisfaction
 - Improving brand reputation &
- Providing unique engagement for customers and/or clients
